Our Story

We introduce ourselves as one of the leading company who specialize in design and manufacturing of Press tools (both Sheet metal components and Tubular parts) with welding assemblies, Jigs & Fixtures, Machinery spares, SPM's reverse engineering, prototypes etc. since 2019.

Our Vision is to be best in this industry giving all our customer the right and precise product at the best price.

We are working on *IAF 9001: 2015* standards and our future aim is to get TUV Rhienland Certification and work in process for the same.

Our strength lies in integrating our self with the latest and best technologies like CAD/CAM/CAE for Design and development of Press tools with our best skills who have more than 10 years' experience in this field.

We are equipped with all the necessary instruments and machines to do all major jobs and are always ready to go for new equipment if the situation arises.

We would be honored to provide our services to your esteemed organization and would like to have a long time relation with you. We kindly request you to register our company in your esteemed organization as a vendor for all this services. We assure you for our best services .

Eagerly awaiting for an early response.

Thanking you,

With Warm Regards,

Form

TSK INDUSTRIAL SERVICES.

CONVENTIONAL MACHINES:

| S.NO | PRESS | TONNAGE |
|------|------------|-----------|
| 1 | SMT | (20TON) |
| 2 | SMT | (30TON) |
| 3 | STANDARD | (40TON) |
| 4 | KAVERY | (40TON) |
| 5 | STANDARD | (50TON) |
| 6 | VISHWAKALA | (70TON) |
| 7 | KAVERY | (100 TON) |

1.SURFACE GRINDING (Manual -200X300) KAVERI - 1 no.

2.DRILLING MACHINE (EIFCO) - 2 nos.

3.JIG BORING MACHINE - ESTEEM - 1 no.

4.CYLINDRICAL GRINDING MACHINE(HMT K130} 1 no.

5.SPARKONIX SPARK EROSION1 no.

(Bed size : 300 x 200 x 200mm)

6.WIRE EDM MACHINE- 1 no.

(Bed Size : 350 x 450 x 450mm)

MEASURING INSTRUMENT LIST

1.VERNIER (MITUTOYO)

0-150 Ordinary- 1 no.

0-150 Digital - 1 no.

0-200 Digital - 1 no.

0-300 Ordinary- 1 no.

2.MICRO METER

0-25 -1 no.

25-50 - 1 no

50-75 -1 no.

3.DEPTH MICROMETER (0~300) - 1 no.

4.BORE GAUGE

10-18 -1 no.

18-35 -1 no.

35-60 -1 no.

60-150 -1 no.

5.VERNIER HEIGHT GAUGE

0-300 Ordinary-1 no.

6.BEVEL PROTRACTOR-1 no.

7.LEVER DIAL -1 no.

8.PLUNGER DIAL- 2 nos.

Our Customers

1.HI TECH INDUSTRIES, SIPCOT-1, HOSUR.

2.DMW CNC SOLUTIONS INDIA PVT LTD, HOSUR.

3.SVS ENGINEERING, HOSUR.

4.SAIRAM POLYMER PRODUCTS, HOSUR.
